COVERLAND is a French private security company specialising in close protection and personal security.

2. Purpose of the Website

This website is an international information and presentation platform for COVERLAND.

It is primarily intended for private clients, families, executives, high-profile individuals and international clientele based in the United Arab Emirates who require professional close protection and security services during their travels or stays in France and Europe.

COVERLAND does not provide private security services within the United Arab Emirates through this website.

Security services are provided in France and, where applicable, in other European countries, subject to the applicable local laws, regulations and professional requirements.

The information presented on this website does not constitute a contractual offer. Each assignment is individually assessed according to the client's requirements, destination, circumstances and applicable legal framework.

3. Professional Activity

COVERLAND provides professional close protection and personal security services, including:

- Executive and close protection
- Personal protection during travel
- Protective accompaniment
- Security for private and corporate events
- Security planning and risk assessment
- Travel security coordination
- Residential and private security
- Protection of high-profile and VIP clients
- Security support for international visitors

Services are tailored to each client's requirements and circumstances.

COVERLAND operates within the legal framework applicable to private security activities.

The company's private security authorisation does not confer any public authority or police powers.
